Important events to be reported

AEROSTAR S.A. announces that in 2022 it made an investment worth three million Euros, from its own sources, consisting in securing the energy through the implementation of a photovoltaic park.

In light of the responsibility it holds towards its employees and community to build a sustainable future, AEROSTAR S.A. invests in sustainable targets to help reduce the global warming effects and obtain climate neutrality.

Thus, in 2022, AEROSTAR S.A. managed to achieve its target to contribute to increased sustainability and reduced electricity consumption by implementing the photovoltaic park, so as to benefit from the green energy from its own source.

The photovoltaic park consists of over 7000 panels, located on the roofs of the buildings owned by AEROSTAR S.A., with a total installed power of 3MW.

We are committed to building a sustainable future!

Total value of the investment: 3 (three) million Euros;

Period of implementation of the investment: Trimesters III and IV, 2022.
